RFA 3402

Addendum #10

1. This is Addendum # 10 to Request for Application (RFA) 3402, Coordinated Care Organizations (CCOs). As previously announced in Addendum #6, OHA will request a January 1, 2014 start date for the Medicare/Medicaid Alignment Demonstration, rather than the January 1, 2013 start date that was included in the RFA. The principal purpose of this Addendum #10 is to prescribe in detail the changes to the RFA resulting from this delay in the start date for the Demonstration.
2. The RFA, excluding the Tables and Exhibits G and H, is hereby restated as set forth in Attachment 1 to this Addendum. Attachment 1 is marked to show the changes by comparison with the same portions of the RFA, as issued on March 19, 2012. Attachment 1 reflects all changes to the RFA made in Addenda #1 through #9, insofar as those addenda changed the wording of the RFA. This Addendum #10 does not alter Addenda #1 through #9, insofar as those addenda did not change the wording of the RFA (for example, questions and answers).
3. All other terms, provisions, and conditions of this RFA remain unchanged. This Addendum # 10 does not require Applicant to resubmit any documentation previously uploaded or re-request any data it has already requested, before this addendum.
